31 July 2024

Dear Ahmed,

Deputy Principal's Award

I am writing to congratulate you on achieving the Deputy Principal's Award for the academic year 2023-2024.

This Award letter, recognising academic excellence, is sent to students who have achieved Grade A, or equivalent, in six or more courses studied as part of their undergraduate degree programme during an academic year. A list of award winners will be maintained by Registry and Academic Support and will be included in your Heriot-Watt University enhanced transcript.

Whilst these are challenging times, the commitment to excellence demonstrated by all award winners, is a firm foundation on which to build.

My congratulations, once again.

Yours sincerely,

Professor T. Malcolm Chrisp
Deputy Principal (Education & Student Life)
Heriot-Watt University
